PCP Feedback Form (2018-19)

The survey was conducted to get views/ opinion of the learners who attend the Personal Contact Programme of PG History. As per norms, the university organizes PCPs at some selected Study Centres where the learners are invited to attend the programme. Though the attendance is not compulsory for the learners, the participation in the PCPs may help a learner develop the knowledge in the subject domain. It also gives the learners to interact with their peers and teachers during the counselling sessions.

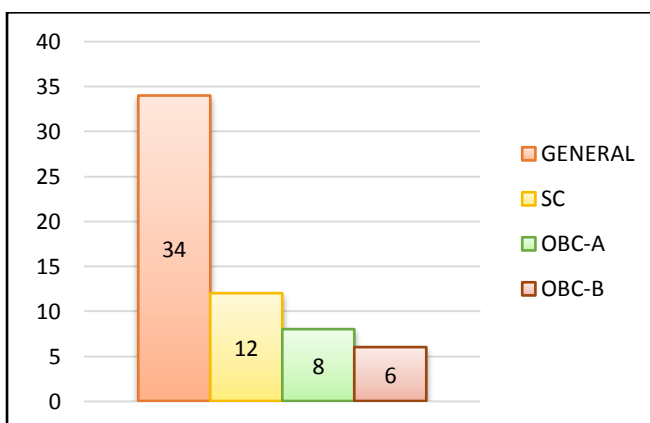

A structured questionnaire was distributed among the learners in the class room to collect their feedback. On the day of survey, 60 learners were present in the class room. The feedback analysis is given below based on feedback of 60 respondents.
