Minutiae of the Induction Programme

Haldia Govt. College study centre organized this Induction Meeting and invited the University personnel to address the students. This has been a great pleasure on the part of the visiting team to meet students after a gap of two years due to global pandemic caused by Covid-19. The Programme started with the Welcome address by Dr. Piyush Kanti Tripathi, Officer-in-Charge who welcomed the University team members, students and academic counsellors and described the importance of holding such Induction Meeting.

Subsequent to this, the University representatives were invited for their addresses:

Mr. P. Bhattacharya in his address described the navigation procedure of university web portal (www.wbnsou.ac.in), for getting all the relevant information. The detailed procedure was demonstrated step by step on the class schedule (both online and F2F), digitised SLMs, status of despatch of SLM, schedule of Web TV, Web Radio, renewal notice etc.

Mr. G. Barua demonstrated the operational aspects of student's Credit Card (SCC) through web portal and answered the queries related to the SCC. He also described the process of accessing the LMS.

Dr. P. Upadhyay described the UG-CBCS structure and distribution of CC, GE, AE, DSC over the six semesters in detail and the examination pattern. She also explained the modalities of teaching-learning processes, internal assessment and Term-end Examination. The students were informed that the internal assessment for UG and PG will be conducted on digital platform through MCQs.

Prof. A. Ghosh in his address advised the students to take the benefits of digital platform to complete their UG/PG programmes within the minimum period of the respective degree programmes. He highlighted the ICT services which are provided to the enrolled students through LMS and Mobile App. The students were advised to learn and gain the domain knowledge in their respective subject so that they can contribute to the societal development as well to their family through an appropriate engagement in economic activity. The students may take the benefits of flexibility in terms of age, eligibility, duration of the course of open and distance learning system to enhance not only their qualification but also their values and ethics in everyday life.

The house was opened for interaction and Q/A session, the students raised various issues/doubts relating to their studies which were suitably addressed by the members present in the meeting.

Dr. Hasanur Rahaman, Coordinator of the LSC proposed formal vote of thanks to close the event.
