As per norms, the students of the LSC attend their PCPs from 13th March 2022 either at their LSC or at Jalpaiguri RC as per the PCP schedule. All the members of the college were present during the visit. They have informed that there is a good demand for postgraduate courses as many students could not get admission to the college as there is no PG course at present. NSOU may be a good option for them to continue their higher studies.

Observations:

- Students of NSOU cleared their examination of the previous TEEs.
- The LSC already received Most of the SLM for PG and UG however SLMs for a few specific subjects have not been received till now.
- LSC may approach the university for some value-added/vocational courses according to the local needs.
- The LSC already created TAB for NSOU on their college website as well as in their App for easy navigation to NSOU information.
- Space has been provided for office purposes that are operational.
- Notice boards are placed in a prominent place however a permanent board for NSOU is not fixed outside the gate of the college.
- Learner Satisfaction Survey (LSS) needs to be recorded.

Learner's Feedback:

- i) For certain subjects, the venue of the practical class is far away from the LSC, and request to arrange in the nearest location.
- ii) More counseling sessions are needed.
- iii) SLMs are not received in time.
