

NETAJI SUBHAS OPEN UNIVERSITY

IMPORTANT NOTICE

Date: 19.08.2017

As directed by the Hon'ble Vice Chancellors, NSOU, it may kindly be noted that re-examination for all the examinees for the flood affected days (from 21st July to 27th August, 2017) will be considered.

Filled in preprinted option form for the said examinations will be accepted from all the willing students.

Since it is very difficult to communicate with all examinees (more than one lakh) concerned hence tomorrow's examinations will be continued. But the examinees who will not appear in tomorrow's examination will also be given a chance to appear at the said examination.
