From the Desk of Vice-Chancellor

Dear Learner,

Netaji Subhas Open University (NSOU) is the only State Open University (SOU) in West Bengal that offers the Under Graduate (UG) Degree Programme through the Open and Distance Learning (ODL) system. NSOU is also one of the largest of such SOU's in Eastern India, both in terms of reach out and plethora of programmes offered. I therefore take this opportunity to congratulate you on the choice of the ODL Mode of higher studies.

On behalf of the entire family of Netaji Subhas Open University that is spread out all across our state of West Bengal through a wide network of Learner Support Centres (LSCs), I extend a cordial welcome to you, dear learner, for the new academic session. As a pedagogy of learning, ODL has the unique potential for blending dynamism and flexibility while ensuring parity with the highest standards of academic engagement. Such a blend, I am sure, will empower you with education that will stand in good stead as you steer through the challenges of life.

As a University, NSOU has the rare credit of enrolling near about 4.75 lakhs learners in different programmes across a wide spectrum of academic disciplines, both in conventional and non-conventional programmes. Our aim is to reach out to learners in every corner of West Bengal with a choice of options as may befit one's acumen, abilities and requirements in life. It is our time-tested conviction that this Open University is dedicated heart and soul to fostering empowerment through education.

With a vibrant green academic campus at Kalyani, Nadia fully operational; and a number of Regional Centres at strategic locations, the University is in rapid expansion mode. Today we have with us the academic excellence of enthusiastic faculty members who are continuously engaged in developing quality SLMs (Self Learning Materials) in print under Choice Based Credit System (CBCS) system. These print materials are augmented with ICT based online and offline materials that strive to make learning a happy activity for you. In fact, our protracted initiatives at introducing ICT both for academic and administrative purposes have made NSOU a force to reckon with in all processes related to learner support. The wide network of Learner Support Centres across West Bengal ensure that you as a learner, is always in close connectivity with your University, no matter how distant you may be geographically located.

To conclude, I wish you the fulfilment of your goals with the support of and in conformity with the rules and regulations of Netaji Subhas Open University.

1. The Concept of Open University

The pedagogy of Open Learning places the primary responsibility of acquiring knowledge on the learner. On its part the University facilitates a flexible learning schedule, provides a kitty of advanced support services and offers accreditation by way of examinations.

The Open University represents an alternative approach to higher learning. It stands apart from a highly formal, institutionalized and centrally administered system of education. Its philosophy is built around the principles of universality, flexibility and innovativeness. Its ideas and institutions, its methods and procedures are all shaped accordingly. Conceptually, it can be viewed as a system drawing upon the best elements in formal and non-formal education.

The 'openness' consists of a variety of features.

First, it offers easy access to the learners. The entry requirement is not too exacting. A genuine interest in picking up knowledge is all that it expects. Consequently, it would try to embrace as many learners as possible.

Second, its territorial reach is visibly wide. It aims at bringing education to the doorstep of the learner, wherever he or she may be. Various methods of communication and contact are used for this purpose. The classroom of the University, thus, is as wide as the entire land it seeks to serve.

Third, the Open University is learner-oriented. It devises its programmes and methods of teaching to suit the needs of the learners. Their options and inclinations are given due priorities. A variety of programmes—short-term or long-term, liberal or professional can be pursued under the University.

Fourth, it believes in fair distribution of quality education, teaching aid, consultancy and study materials. Whatever resources the University has been made evenly available to all learners wherever or whoever he or she might be. It eliminates variations and discrimination.

Fifth, its administration is decentralized. In promoting Distance Education, the University creates a wide network of Learner Support Centre. Learners need only to come to the nearest available centre for collecting all information, completing all formalities, discussing their academic issues and appearing for evaluation of their work at intervals chosen by them.

Sixth, learner assessment under Open University is based on continuous assessment and credit system. It does not require learners to get bogged down in one final examination. One can study at one's own pace.

In short, the Open University seeks to open up the treasure house of knowledge to the maximum number of users. Thereby it would enhance their skills for productivity and further learning. Socially, too, the University promises steady empowerment of those who suffered backwardness for want of these skills. Considering the current trends all over the world, the Open University is going not only to complement the conventional system of higher education but may soon occupy the centre stage also in developing countries where the resources do not measure up to the vastness of the clientele.

2. Netaji Subhas Open University : Vision and Mission

Vision:

The NSOU, the only State Open University in West Bengal, delivers to build up the quality human resource base of the State and, along with other Open Universities of the country, and moves towards the improvement of the quality of open distance education. 7. Programme Structure

Programme Structure Under Choice Based Credit System (CBCS):

Choice Based Credit System is a well-designed and comprehensive education system to meet the ever growing needs of the society and create an environment to accommodate innovations. It is a flexible system where the learner is at a liberty to learn in his own pace. It provides greater choice to select elective courses from a wide range of courses. Providing enhanced learning opportunities and greater choice, forms a foundation for skill development which helps in producing employable graduates. Various components have been formulated in a way to fulfil scholastic needs and aspirations of diverse learners.

CBCS pattern consists of different types of courses introduced to broaden the base in higher learning.

Core courses are compulsory courses which are necessary for fulfilling the requirements of a programme in a said discipline of study. Elective courses are optional and selected from courses which are supportive in nature, which enable the learner to expand the scope of the discipline of study. The learners also get exposure to other disciplines which enhance their general proficiency, skill and open thinking. The Generic or discipline centric courses provide window to unlimited knowledge. Ability Enhancement courses lead to knowledge enhancement and personality development. These are mandatory for all disciplines and woven to impart value-based education.

Outline of Choice Based Credit System (CBCS):

1. Core Course (CC): A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course. **A learner of B.A./ B.Sc./ B.Com. honours programme, shall have to study 14 Core Courses of respective honours subject as specified in section "Subject wise Course Curriculum" for each of the 6 semesters.**

2. Elective Course: Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

2.1 Discipline Specific Elective (DSE) Course: Elective courses may be offered by the main subject of study is referred to as Discipline Specific Elective. **A learner of B.A./ B.Sc./ B.Com. honours programme, shall have to study 4 DSE courses of respective honours subject in V and VI semesters as specified in section "Subject wise Course Curriculum". Modalities for selection of DSE courses for each honours subject is detailed in section "Subject wise Course Curriculum".**

2.2 Generic Elective (GE) Course: An elective course chosen generally from an unrelated subject, with an intention to seek exposure is called a Generic Elective. **A learner of B.A./ B.Sc./ B.Com. honours programme, shall have to study 4 GE courses in I, II, III and IV semester. Modalities for selection of GE courses for each honours subject is detailed in section "Subject wise Course Curriculum".**

Note: Courses of Elective Course viz DSE and or GE, wherein MOOCs were adopted in the CBCS scheme, learners have to follow Credit Transfer Policy of Massive Open Online Courses (MOOCs) of Netaji Subhas Open University as per UGC guidelines and related notification as and when intimated by the University.

3. Ability Enhancement Courses (AEC): The Ability Enhancement (AE) Courses may be of two kinds: **Ability Enhancement Compulsory Courses (AECC)** and **Skill Enhancement Courses (SEC)**. "AECC" courses are the courses based upon the content that leads to Knowledge enhancement; i. English / Bengali and ii. Environmental Studies. These are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

3.1 Ability Enhancement Compulsory Courses (AECC): AECC courses are the courses based upon the content that leads of knowledge enhancement. This is mandatory for all learners enrolled in any honours programme. **A learner of B.A./ B.Sc./ B.Com. honours programme, shall have to study 2 AECC courses in I and II semester. Modalities for selection of AECC courses for each honours subject is detailed in section "Subject wise Course Curriculum".**

3.2 Skill Enhancement Courses (SEC): These courses designed to provide value-based and/or skill-based knowledge. **A learner of B.A./ B.Sc./ B.Com. honours programme, shall have to study 2 SEC courses in III and IV semester.**

8. Academic Session

As per UGC public notification vide F.No.1-25/2018(DEB-I) dated 08.01.2020 University follows July Academic session for Under Graduate Degree programmes in every academic year.

9. Duration of the Programme

The minimum duration of the Under Graduate Degree Programme is 3 (three) years from the year of registration. The registration is valid for a period of maximum 6 (six) years provided the candidate pays requisite fees at the beginning of the 3rd & 5th semesters.

- NSOU website.

Examination fees and Other fees (if applicable) will be notified through website time to time by the University.

N.B.: Paying of programme fees, studentship fees and examination fees (as the case may be) as mentioned above and submission of assignment within the due date is/are mandatory to appear in the Term-End Examination.

12. Admission to Under Graduate Degree programmes

Admission Process:

Every year NSOU conducts an online admission process for July session, through which applicants, fulfilling the minimum eligibility criteria, can opt. for any Under Graduate Degree Programme among fifteen different programmes from Arts, Science and Commerce as mentioned earlier.

* Examination Fees will be notified from time to time by the Examination Department.

Before starting of the admission process NSOU circulates admission notification through leading newspaper (indicative notification), respective Learner Support Centres and in University official website (www.wbnsou.ac.in).

Applicants are advised to go through the website admission notification for detailed admission procedure and guideline.

12.1. General Guideline

Incomplete Applications: Submission of incomplete admission forms/ renewal / examination forms and forms furnishing false information or any type of tampering with form and in supporting documents can be rejected forthwith without any intimation to the candidates. The candidates are, therefore, advised to fill the relevant columns carefully and enclose/upload authenticated copies of all necessary certificates asked for, and submit the form on or before due date.

Simultaneous Registration: Following “Guidelines for Pursuing Two Academic Programmes Simultaneously” of UGC, a learner can pursue two academic programmes, one in full time physical mode and another in Open and Distance Learning (ODL)/Online mode; or up to two ODL/ Online programmes simultaneously. But, in the event of any clash of dates arises in counselling and/or examinations schedule between the two programmes taken, the University will not be in a position to make any adjustments for its mitigation. Any violation of this rule will lead to cancellation of the candidature of the learners concerned and in such cases no fees will be refunded.

Change of Learner Support Centre: Online application for change of Learner Support Centre after taking admission can be made together with a fee of Rs. 500/- at <https://correction.wbnsouadmissions.com>. Such application will be considered under circumstances like change of place of service, shifting of family and change of marital status only with documentary evidence.

Change of Subject / Programme / Course: Application for change of Subject / Programme / Course after admission in any UG programme will not be entertained under any circumstances. The candidates should, therefore, be very careful as regards the choice of course/subject of study before taking admission.

Cancellation of Candidature / Awarded Degree: If at any point of time during admission/ after enrolment a learner found to have furnished in correct / false / misleading / forged information, his/her candidature/ learner-ship will immediately be cancelled by the University and fees paid by the said learner shall not be refunded.

If furnishing of false information is detected even after award of degree, the said degree will be cancelled immediately.

Note: Course fees, Admission fees, Studentship fees, Examination fees once paid will not be refunded (for further refund policy visit our admission website).

13. Renewal Rules

The studentship of a candidate will be void if the candidate fails to renew his/her studentship by paying the programme fees and or studentship fees in due time as mentioned in the Fee Structure. Every year the University opens its online renewal portal (www.wbnsouadmissions.com) for the UG learners to enable them to renew their studentship.

Schedule: University open its online Renewal Portal for the enrolled learners of UG programme tentatively in the month of June.

NB:

- Paying of programme fees, studentship fees and examination fees as mentioned in the fee structure is mandatory to appear in the Term-End examination.
- Learners are advised to preserve all the payment receipt related to any fees submission, as and when notified by the University, for future reference.
- Amount of Programme fee and studentship fee for different programme is available in the pouch attached in the back side of this prospectus and in renewal notification (web notification).

14. Self-Learning Materials

The University provides its learners Self Learning Materials (SLM) in printed and/or digital form for all subjects, to be studied and learnt by them at their convenience. An enrolled learner can collect his/ her SLM from the respective Learner Support Centre by producing RECEIPT OF SLMs as and when issued by the University. The softcopy of the SLMs are available in the NSOU LMS: www.nsouict.ac.in which is password protected. Learners can download the softcopy.

15. Methods of Instruction

The University makes use of several methods to provide maximum possible exposure of the learners to the course-contents and to each instructional programme. To start with, printed SLMs (Self Learning Materials) packages and contact programmes involving face-to-face interaction with academic counsellors are available. Moreover, Audio-visual presentations, Teleconferences and occasional discussion sessions through Web TV and Web Radio channels have been introduced.

Personal Contact Programme (PCP): Each accredited Learner Support Centre organises PCP Sessions on weekends/holidays and notifies the same to the learners. Learners are recommended to read their SLMs thoroughly before participating in the PCP session to find it immensely useful. For each 6/2 credit of a theoretical course there will be maximum 18 hours / 6 hours PCP sessions respectively. In addition to these face to face PCP, some online sessions will also be arranged by the University. During these sessions, academic counsellors will help the learners with their study. Attendance at PCPs are optional for most courses, unless otherwise specified.

Practical Session: Practical Sessions or Laboratory Counselling-cum-evaluation Sessions (LCES), for Core and Discipline Specific Elective course of science stream, are arranged in some selected centres by the University for the learners who have enrolled for the particular subjects. Centres for practical work will be allotted by the University. There are at most two practical courses in the three odd semester (I, III and V) for the three years of study of each honours science subject. The practical work for Core and Discipline Specific Elective course is generally arranged during puja vacation/ post puja holidays as far as practicable for 12 (twelve) days from 9 A.M. to 5 P.M. each day. **Regular attendance throughout the practical session by each and every learner are mandatory.** A circular with details of venue and schedule for practical sessions will be sent to the respective Learner Support Centre and also published in our official website (www.wbnsou.ac.in).

Massive Open Online Courses (MOOCs): To enhance digital learning in the country, Government has approved National Mission on Education through Information and Communication Technology (NME-ICT) in the year 2009, to provide high quality personalized and interactive knowledge modules over the internet/intranet for all learners in higher education institutions in anytime anywhere mode. Through this scheme the Ministry is providing connectivity to all colleges and Universities and providing high quality e-content free of cost.

The main aim of MOOCs is to provide new opportunities to a massive number of learners to attend free online courses from anywhere all over the world. This will enrich the learning experience by using audio-video and multi-media and state of the art pedagogy/ technology. In order to ensure best quality contents, the SWAYAM has 4 quadrants:

- a) Video lecture – Q1
- b) E-content: Specially prepared reading material that can be downloaded / printed – Q2
- c) Self-assessment tests through tests and quizzes – Q3
- d) An online discussion forum for clearing the doubts – Q4

Netaji Subhas Open University proposes to adopt MOOCs for some course of CC/DSE/ GE courses under CBCS scheme as a preference as per UGC guidelines. Learners willing to choose MOOCs course as an option of study are advised to visit University official website for detailed instruction. In this regard, enrolled learners may communicate with Concerned School of Studies for guidance during their study of the programme.

16. Medium of Instruction

The Self Learning Materials (SLMs) for different courses (except for Bengali) are available in Bengali/English language (**see respective programme structure**). However, as a State level endeavour, teaching learning process for Under Graduate degree programmes are done in Bengali medium. A learner is free to write answers for home assignments and in Term-End Examinations in Bengali/ English. But, in such cases mixing of language that is some part in Bengali and some part in English is not acceptable.

17. Evaluation Process

The Evaluation of each subject will be made in following ways:

a) Assignment / Internal Assessment/ Continuous Assessment / Formative Assessment :

Assignment submission is the first interaction between the learner and the teacher. It has a very important role to play in the teaching-learning process in distance education. So, submission of Assignment is mandatory for all learners. The assignment responses reflect what the learners have understood and learnt. The assignment answer scripts are returned to the learners so that the assignment answers serve the purpose of providing feedback to the learners and inform them their strengths and weaknesses. In view of this fact, learners are asked to submit online Assignment and then download and print out the evaluated answer script(s). Preservation of hard copy of each answer script is mandatory for all learners.

Learners will be required to submit assignment for each course and the marks obtained on evaluation of those assignment courses will be entered into his/her individual record of performance. This will constitute 30% (maximum) of the Full marks in the course as per University Grants Commission (Open and Distance Learning Programmes and Online Programmes) regulations, 2020. All the Marks secured by the learners will be progressively entered into the result card.

Every learner is required to submit the assignment courses through examination form submission before each Term-End Examination which is due at the end of each semester. **But in no case a learner shall be allowed to sit for the examination if he/she has not submitted assignment course within the due date as announced by the Examination Department of the University.**

In practical course of Science stream, there is no assignment.

NSOU website: You may also access all relevant information and assignments from the University website at www.wbnsou.ac.in.

b) Term-End Examinations:

Minimum 70% of the total credit points of the course (except practical course where it is 100%) would be reserved for Term-End Examination as per University Grants Commission (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020.

Minimum qualifying marks in each course is 30% (Term End Examination Marks + Assignment Marks).

c) Practical Examination / Laboratory Counselling-cum-Evaluation Sessions (LCES) for Lab based subjects:

Practical Sessions or Laboratory Counselling-cum-Evaluation Session (LCES), for Core and Discipline Specific Elective courses of Science stream, are arranged by the University for the learners who have enrolled for the particular programme. Centre for practical work (LCES) will be allotted by the University.

The practical work for Core and Discipline Specific Elective courses are generally arranged as follows:

Sl. No.	Day	Activities	Marks
1	1st Day	Introduction	0
2	2nd to 11th Day	Continuous Practical Session	70%
3	12th Day	Practical Examination	30%

A circular with details of venue and schedule for practical sessions will be sent to the respective Learner Support Centres and also published in our official website (www.wbnsou.ac.in) before the commencement of LCES.

Minimum qualifying marks in each practical course is 30% (Term End Examination Marks).

d) Massive Open Online Courses (MOOCs):

Learners choosing MOOCs under SWAYAM as an option of study are advised to visit University official website for detailed instruction. University will duly frame **Credit Transfer Policy of Massive Open Online Courses (MOOCs) following UGC guidelines**. Modalities related to evaluation process will be notified by the concerned School of Studies.

18. Evaluation Method

In Open and Distance Learning (ODL) mode of education in case of theoretical courses the learners would be subject to continuous evaluation in the form of Assignments. In compiling results **maximum 30% (approx) will come from the Assignment evaluation (A) and minimum 70% from the performance in the Term-End examination (B) as per University Grants Commission (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020 (for details, please see respective programme structure)**. However, in case of Practical courses in Science subjects, 100% will come from the performance in Term-End Examinations (LCES).

Continuous evaluation of theoretical courses is made on the basis of assignment which every learner is required to submit before each Term-End Examination.

Term-End Examinations are held at the end of every semester. Learners who intend to appear at a Term-End Examination are required to fill in application forms as per notification issued by the Examination Department of the University (134/1, Meghnad Saha Sarani, Kolkata-700 029) from time to time.

It is also noteworthy that the marks obtained in each course would be a summation of Assignment Marks (A) and Term-End Examination Marks (B) except practical courses.

One credit is considered to be equivalent to 30 (thirty) hours of study time (which includes all the learning activities) devoted by the learner her/himself.

The details of the credit given below:

Total credit: 140 or 1800 marks

Course component wise division of credit points under CBCS system:

Programme Components	No. of Courses	Total Credit	Total Marks
Core Course (CC)	14	14x6 credit = 84	14x70 = 980
Generic Elective Course (GEC)	4	4x6 credit = 24	4x70 = 280
Discipline Specific Elective Course (DSEC)	4	4x6 credit = 24	4x70 = 280
Ability Enhancement Course (AECC)	2	2x2 credit = 4	2x70 = 140
Skill Enhancement Course (SEC)	2	2x2 credit = 4	2x60 = 120

19. Examination Pattern

Examination Pattern under CBCS system:

University holds semester-wise Term-End examination according to the following pattern. A learner will only be allowed to appear in backlog course(s) of EVEN semester in the next EVEN semester. Similarly, a learner will only be allowed to appear in backlog course(s) of ODD semester in the next ODD semester.

Year	Semester	Courses
1st Year	1st Semester (ODD Semester)	CC-01, CC-02, GE-01, AECC-01
	2nd Semester (EVEN Semester)	CC-03, CC-04, GE-02, AECC-02
2nd Year	3rd Semester (ODD Semester)	CC-05, CC-06, CC-07, GE-03, SE-01
	4th Semester (EVEN Semester)	CC-08, CC-09, CC-10, GE-04, SE-02
3rd Year	5th Semester (ODD Semester)	CC-11, CC-12, DS-01, DS-02
	6th Semester (EVEN Semester)	CC-13, CC-14, DS-03, DS-04

Credit wise examination duration in Term-End Examination:

Credit	Course Type	Total Marks	Assignment Marks	Term-End Marks	Duration of Term-End Examination
Course having 6 Credits	Theory	70	20	50	2 hours
Course having 2 Credits	Theory	60	10	50	2 hours

Note: For practical courses, there is no assignment mark, full marks will be evaluated in Term-End Examination (TEE) only.

Massive Open Online Courses (MOOCs): University will duly frame **Credit Transfer Policy of Massive Open Online Courses (MOOCs) following UGC guidelines.** Other related modalities will be notified by the concerned School of Studies.

NSOU always endeavours to adhere to the academic calendar for conducting examinations and publishing the results on top most priority. However, being an Open University the functions of NSOU depend a lot on the participation of the academic counsellors and secretarial staff of the Learner Support Centre which are located in the colleges affiliated to the other State Aided Universities of West Bengal. In case of some unlikely events functioning of the Learner Support Centres may be affected which is beyond the control of NSOU. These may lead to deviations from the academic calendar under the existing system. Such unintentional deviations cannot be totally ruled out. In such cases NSOU will always strive to minimise such delays. Despite its best efforts, NSOU, however, cannot guarantee finalization of the results in some cases. In those cases pending finalization of the result of the last examination, before the commencement of the next examination, the learners concerned may be advised to fill in the application form for examination within the scheduled date. But in case a learner is found not to have cleared the examination after filling up of the application form for the next examination, the application shall be treated as cancelled.

20. Grading System

Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA): The SGPA (Semester Grade Point Average) and CGPA (Cumulative Grade Point Average) pattern suggested by UGC will be followed to award Grades to the learners.

Semester Grade point Average (SGPA):

The semester grade point average (SGPA) will be the weightage average of the numerical grade points obtained in all the courses of the given semester, where weights refers to the credits assign to the concern courses. If the numerical grade points obtained by a learner in different courses of a semester are denoted by P_i and the credit of the corresponding courses are denoted by C_i , the SGPA will be

$$\frac{\sum (P_i \times C_i)}{\sum C_i}$$
 where $i=1$ to n , and n - no. of courses in the semester. The SGPA shall be shown in the marksheet upto the 3rd decimal point.

Cumulative Grade Point Average (CGPA):

Cumulative Grade Point average (CGPA) over six semesters shall be the weighted average of the six SGPAs.

CGPA= $(\sum(SGPA_j \times C_j) / \sum C_j)$ where i=1 to 6. CGPA shall be calculated and shown up to three decimal places. SGPA_j is the SGPA of the jth semester(j=1 to 6) and C_j is the total credit of jth semester used for Grade Point Calculation.

A 10-point grading system shall be followed for the purpose of Grade Point Calculation, as shown below:

Percentage of Marks	Numerical Grade Points	Grade Letter	CGPA	Remarks
≥ 90% to 100%	9.0-10	O	9.000-10.000	Outstanding
≥80% but <90%	8.0-8.9	A+	8.000-8.999	Excellent
≥70% but <80%	7.0-7.9	A	7.000-7.999	Very Good
≥60% but <70%	6.0-6.9	B+	6.000-6.999	Good
≥50% but <60%	5.0-5.9	B	5.000-5.999	Average
≥40% but <50%	4.0-4.9	C	4.000-4.999	Fair
≥30% but <40%	3.0-3.9	D	3.000-3.999	Satisfactory
<30%	0	F	0.000-2.999	Fail

Numerical Grade Point shall not be calculated in respect of a failed course.

The multiplicative factors shall be 0.10 for all grades for the purpose of calculating numerical grade points.

Example:

If the learner secures P%, where PTM30, his/her grade point will be

$$[3.0 + \{(P-30) \times 0.1\}] \text{ or simply } 30 \times 0.10 = 3$$

If a learner scores 52% in a particular course, his/her grade point for course will be

$$(3.00 + 0.1 \times 22) = 5.20 \text{ or simply, } 52 \times 0.10 = 5.2$$

Both SGPA and CGPA will be rounded off to the 3rd place of the decimal and will be shown as such on the grade sheet. The grade sheet issued at the end of each semester shall include the total marks obtained in each course (SGPA will be calculated for semester only after clearing all courses by a learner in that particular semester) as well as the SGPA, the total marks obtained in that semester and credit earned in the semester concern. The final grade sheet, on completion six semesters, shall include the SGPA of six semesters, CGPA, letter grade, the marks obtained, total marks and the total credits earned.

20.1 General Guideline for Examination System

I. Semester System:

The structure of the syllabus is delineated in term of semester each of 6-month duration. The Term-End Examination (TEE) are held on completion of each semester. The TEE results are shown in the Progress Report. However, the final result published after clearing of all this Courses will be given in the Mark Sheet.

II. Review System:

The University has no formal review system for UG programmes. As such, it takes all possible precautions at every step of examination/evaluation/ publication of results, so that no learner may feel affected.

III. Change of Examination Schedule:

As such the scheduled date of Examinations will not be changed (even to accommodate any other/ public examinations). However, in any unavoidable circumstances the date of Examination may be changed and in such cases the decision of the University will be final.

IV. Examination Centre:

Examination may be conducted at Regional Centre of NSOU or at any Government Affiliated Institution. However, decision of the University in this regard is final.

V. Examination Day:

University can fixup the examination date either on weekends or on working days. However, decision of the University in this regard is final.

VI. Cleared/ Pass:

A learner who has cleared a course in an examination shall not be permitted to reappear in that course in subsequent examinations. A learner who has successfully completed a programme he/ she has registered for, shall not be permitted to reappear in that programme.

VII. Irregular appearance:

If a learner appears in examination without valid Admit Card issued by Controller's office or without roll no. his/ her appearance in examination will be treated as irregular and his/ her answer script will not be evaluated.

VIII. Availability of Answer Script:

Written assessed answer script for all University Examinations shall not be preserved by the University beyond three months from the respective dates of publication results.

For any other information related to examinations, the NSOU website and/or the Examination Department of the University may be visited or contacted.

21. Learner Support Centre (LSC)

The University provides various learner-support services through a network of Learner Support Centres. A list of Learner Support Centres along with the subjects offered is enclosed. These centres cover all the districts of the State & are located at convenient points connected by public transport. A Learner Support Centre is placed under the supervision of a coordinator to be monitored by the Governing Body through the Principal of the College, and assisted by the staff of his office. It provides all kind of Learner Support Services.

At the beginning of each session, Learner Support Centres invite the learners for an induction meeting where they are familiarized with the aims, objectives and activities of the University and the methodology of Open Distance Learning.

The Learner Support Centres draw schedules of counselling sessions and notify the same for the learners. Normally, the counselling sessions are held during weekends and periods of vacation of the host institutions.

For Prospectus, SLMs, Assignments, Information etc. learners should contact the Learner Support Centres.

In short, each Learner Support Centre acts as the day-to-day link between the learner and the University. Learners are expected to conduct themselves in a worthy and dignified manner to maintain high academic and moral standards.

23.3 ICT Support Services

Every year thousand of students take admission in various programmes of the University. All the services are made available to the learners through a network of Study Centres and Regional Centres of NSOU. The University takes all possible steps to reach its thousands of learners through Information and Communication Technology (ICT). The University has established ICT based **Student Support Cell** which addresses the issues raised by the students either through mail or SMS. Learners are advised to follow the website in regular interval for latest notice/ information etc. The students may take full advantages from the following services as provided by the University towards the completion of their course successfully.

Online support services: The university has developed a mechanism for SMS alert to communicate the registered students with all information/ notice etc. A dedicated Student Support Cell has been established to receive phone calls and redress the grievance of the students within two working days. Automatic ticket generation for each call is maintained. **Call at: 033-4058-5127; e-mail: admin@nsouict.ac.in.**

Learning Management System (LMS): We have dedicated a web portal to host LMS. Presently all the UG Learners of the University can access academic content with their user ID and Password through this dedicated LMS. Academic content including course materials and audio-visual lectures, online counselling session are available to facilitate any time anywhere learning (<http://www.nsouict.ac.in>).

School of Professional Studies	School of Education	School of Humanities	School of Social Sciences	School of Sciences
Commerce and Economics	Education	Bengali and English	History, Political Science, Public Administration and Sociology	Botany, Chemistry, Geography, Physics Mathematics & Zoology

OER Repository: Only state aided university in West Bengal having the OER repository. The course materials and audio-visual lectures with appropriate open license are made available through this repository free of cost. Learners of any University may access / get these academic resources online (<http://nsouoer.krc.net.in>).

A/V Lectures: To supplement face to face counselling, the university has taken initiatives to develop audio-visual lectures delivered by eminent teachers/ experts. The A/V lectures are made available through LMS and OER Repository. The learners may have a new learning experience through www.nsouict.ac.in

M-learning/Mobile APP : The LMS is made compatible with the android application so that the learners can get all the academic content through their mobile devices.

24. Learner's Grievance

For any grievance, learners are free to contact Assistant Director, Study Centres & Convener, Students' Grievance Redressal Cell, NSOU either by e-mail (asstdirector.nsou@gmail.com) or by post (DD-26, Sector-I, Salt Lake City, Kolkata-700 064).

28. Frequently Asked Questions (FAQs)

Answers of some anticipated question are given below in the form of Frequently Asked Questions (FAQs).

Where can I get an online application form? Where should I verify the filled-in admission form or verify my eligibility criteria? Where should I submit my filled-in application form?

After publication of admission notification, you can access it online through our admission website (Link will be available in admission notification).

University will verify your filled-in online admission form or eligibility criteria with the scanned document uploaded by you at time of submission of online application form.

The filled in admission form should be submitted online only through admission portal of the University.

Can I change my Learner Support Centre?

Online application for change of Learner Support Centre after taking admission can be made together with a fee of Rs. 500/- at <https://correction.wbnsouadmissions.com>. Such application will be considered under circumstances like change of place of service, shifting of family and change of marital status only for female candidates with documentary evidence.

Lost my Enrollment Certificate-cum-Identity Card, what should I do?

The applicant must register a General Missing Diary (GD) with local police station at earliest. To get a duplicate **Enrollment Certificate-cum-Identity Card** you should submit an online application at <https://correction.wbnsouadmissions.com> along with a fee of Rs. 500/- and the GD.

Can I choose my Learner Support Centre, or shall the University allot me the Learner Support Centre?

You can choose your Learner Support Centre as per your convenience. However, since all your programmes are not available at all the Learner Support Centres, you should ensure that the programme you are applying for is available at the Learner Support Centre opted by you. Normally the Centre opted by you shall be allotted to you. However, in exceptional/unavoidable cases the University may allot a different Centre to you and in such cases the decision of the University is final.

How should I pay the programme fee?

The fee can be paid through online (via payment gateway) and offline (through bank challan) mode. For more details regarding payment method, please see the detail admission notification or guideline for online admission process in the University website. The learners who wish to pay the fee online through debit/credit cards/internet banking/UPI are hereby directed to use their own cards only. In case of failure of fee payment transaction, the amount so paid will automatically get transferred to the cardholder's account.

What I am required to do after submission of my application form?

After submission of online application and successful payment of requisite fees University will issue a provisional Enrollment Certificate Cum Identity Card as proof of your admission along with Receipt of SLM through admission portal. You have to collect final Enrollment Certificate-cum-Identity Card from your Learner Support Centre.

If I want to withdraw myself from the programme after confirmation of my admission, shall I get my fee refunded?

Fees once paid for admission to a particular course will not be refunded (for further refund policy visit our admission website). It is also not adjustable against any other course of this University.

Can I change my programme/course after admission?

Application for change of programme/ course after admission in one Under Graduate Degree Programme will not be entertained under any circumstances. The candidates should, therefore, be very careful as regards the choice of programme/ course of study before taking admission.

Can I join two programme of NSOU at a time?

Following “**Guidelines for Pursuing Two Academic Programmes Simultaneously**” of UGC, a learner can pursue two academic programmes, one in full time physical mode and another in Open and Distance Learning (ODL)/Online mode; or up to two ODL/Online programmes simultaneously. But, in the event of any clash of dates arises in counselling and/or examinations schedule between the two programmes taken, the University will not be in a position to make any adjustments for its mitigation. Any violation of this rule will lead to cancellation of the candidature of the learners concerned and in such cases no fees will be refunded.

How can I receive support if I have doubts while studying the materials?

We provide face-to-face/ online contact between learners and tutors/counsellors at Learner Support Centres to clarify your doubts and answer your academic queries. This is called “Counselling”/ “Personal Contact Programme” which is normally held on weekends.

Is it compulsory for me to attend counselling?

The counselling sessions are not compulsory for theory courses. However, it is advised to attend the session as far as possible, in future which will be immensely useful in certain respects to share your views on the subject with your counsellors and fellow learners; comprehend some of the complex ideas/concepts or difficult issues discussed in your materials, and get clarifications for many of your doubts which you would not have solved yourself.

How do I know about counselling schedule?

Your Learner Support Centre will inform you about the counselling schedule. Normally counselling would be held on Saturday and Sunday. You should contact your Learner Support Centre Coordinator for the counselling schedule.

Why should I do assignments, are the assignments compulsory?

The purpose of assignment is to help you get through the courses. Assignment is a process of formative evaluation. It will help you understand how you are progressing in your studies.

Yes, the assignments per theory course are compulsory. It means you need to submit the assignments per course within the stipulated time for being eligible to appear in the Term-End Examination. The assignments carry maximum 30% in the final result.

When and where should I submit the assignments?

You should submit the assignment as per notification as and when notified by the University.

If I cannot complete my programme in three years what will be the fate of submitted assignments?

All the assignments submitted earlier will be carried forward till your registration validity period.

Can I improve my assignment grade by re-doing them?

No, you cannot improve an assignment grade in any circumstances.
