

#### **BRIEF**

She strikes a coherent balance between academic-administrative laces of coordinating academic programmes (PG, Ph.D. & Diploma) under the School of Education of the University. She has been engaged in higher education for the last 12 years with more than 50 national and international publications (in authored book, edited volumes, book chapters, Journals, Newsletter etc.), research projects developing and facilitating MOOCs SWAYAM (NC: IGNOU). She has achieved success in inducing solidarity heterogeneity, synchronizing multiplicity, reinforcing collaboration, and triggering the feeling of equity, empathy, and belongingness among diverse learners in ODL. Her insatiable craving for harnessing innovation in teachinglearning dynamics inspires her in carrying out the unflagging mission of creating unprecedented pedagogical tools with outcome orientation.
