PROJECT  
ORGANIZES  
PARTITION  
LECTURE  
SERIES**

**12TH MAY  
FRIDAY, 2023  
IST 6.30 PM**

ZOOM LINK

Through this lecture, author Anam Zakaria will discuss her journey as a third generation Pakistani researching the Partition of 1947 and the subsequent birth of Bangladesh in 1971. She will delve into the statist narratives she grew up with about Partition and the 1971 war and discuss the ways in which oral history interviews offered a new and nuanced understanding of the past.
