Speaker: Professor Anirban Ghosh, Director (i/c), SVS
Members of the Technical Team

Participants: Students and Coordinators of study centres (328 persons)

Dr. Anirban Ghosh initiated the discussion and conveyed sincere thanks to all Coordinators for their cooperation and support to run the vocational training programme across the state. Every year, the School organizes the *Sensitization on LMS for examination of Vocational Courses* under the School of Vocational Studies.

As already approved by the competent authority, the process/system of examination was discussed in detail and it was decided that the theory paper will be conducted through LMS to assess the domain knowledge of the students and the practical papers will be conducted on face to face mode to assess skills and competency in the specific trade by the respective study centres as per existing system. The examination schedule is already circulated among the students. The students were informed to collect their admit card from the study centres.

Papers	Mode of examination
Practical papers / project /Viva	Traditional method (on campus)

The Technical Team members demonstrated the use of LMS. The students may access the LMS through their user ID and Password.

The queries of the students were addressed in the Q/A session at the end.
