

Report on Workshop on

'Skill Development in Science through ODL Mode: Advancement in Pedagogy'

on 7 October, 2015

A one day National Workshop on '*Skill Development in Science through ODL Mode: Advancement in Pedagogy*' in connection with BDP Laboratory Counselling-cum-Evaluation Session was organized by School of Sciences, NSOU on 7th October, 2015 in the seminar room at the University Head Quarters from 10.30 a.m. to 4 p.m.

Laboratory Counselling-cum-Evaluation Session is a very important part to convey education among students and develop their skill in science subjects. For any institution that provides distance education in laboratory based subjects, the careful conduction of LCES program is necessary. This seminar was focused on the matter to improve the LCES program in NSOU or any other institution that provide education in ODL mode. Prof. R.C. Sharma, Director, CEMCA, New Delhi was present in the occasion as Chief Guest and Prof. Ranjit Kumar Roy, Retired Professor, IIT Kanpur was the Guest of Honor. The program started with welcoming the guests and by a welcome address by Prof. Kajal De, Director, School of Sciences to all the participants. Then all the experts and delegates presented their valuable lecture and suggestions to improve the LCES programs for science subjects. Prof. Subha Sankar Sarkar, Hon'ble Vice Chancellor, NSOU chaired the inaugural session of the national workshop and delivered a short but effective speech to give the right direction to the activities of this seminar.
