The routine is tentative and the classes will be held as per the availability of the counsellors.

The Remote Sensing and GIS (paper 9 B) classes will be held at the Kalyani campus of the University on Weekdays and on Weekends in two phases which will be notified later in the University Website.

The schedule of Paper 10 B (Field Report Oriented Dissertation) will be notified later by the School. The field work will be conducted by the faculties of School of Sciences and the Study Centres. The Field work will be organised between **December- June** or as per the convenience of the faculty of School of Sciences and Study Centres. **The students have to bear their own cost of the field work. The field work is compulsory. The classes for Field Report preparation will be held pre- field as well as after returning from the field work excursion.**

Academic Coordinators are requested to communicate the aforementioned schedule to the students concerned.

The students are advised to consult the Academic Coordinators of their respective study centres for the PCP Classes. Any alterations in the PCP routine will be communicated to the students by the respective Academic Coordinators.
