		Expected outcome	<p>The greatest opportunity of the post graduate geography course is that learners are able to build themselves for the research work in this field after successful completion of the course. Moreover, the learners are able to increase their knowledge base in the domain of geography which enhances their employability in various fields. The working person may also take this course for their vertical and horizontal mobility in their work place. A fresh graduate of geography honours may join this course to increase their employability in education and industrial sectors. The greatest strength of geography, as a discipline is its ability to integrate and apply knowledge across the interface of the Earth's social and environmental systems. In Geography, we don't just learn in the classroom; we provide students with opportunities to learn relevant skills and apply their knowledge to real-world challenges. Our field courses are designed to give students an opportunity to do just that: learn valuable field skills, apply classroom knowledge, and connect to the many organizations and issues that require geographic and environmental expertise.</p>

		Expected outcome	<p>There are many career opportunities in the healthcare field that are suitable for Sociology graduates. Our learners can work as community support specialists, behavioral interventionists, patient advocate etc. with well-known organizations.; Yet another superb area for career launching can be Non-profit organizations which offer a wide range of jobs in sociology. Most of the jobs in this area either involve working directly with people to help them overcome their choking problems through case management or by supervisory programs.; Another lucrative zone for professional specialization in sociology includes getting uniquely qualified to conduct research on human populations. These jobs typically involve developing and conducting evaluations of programs, surveys and polls, as well as analyzing trends in data collections.; State departments, nonprofits, and other organizations have numerous opportunities for those with an interest in families and youth. Sociology offers unique perspectives and approaches to these people-orientated, outcome changing careers.; Finally, HSO, helps learners choose professions according to their taste and customization keeping of course their individual and social priorities in mind.</p>
