Part – X: Innovative and Best Practices

10.1 Innovations introduced during academic year

The stakeholders take full advantages from the following services as provided by the University towards the success of the academic, administrative, and organisational enrichment. The following activities are noteworthy in this respect-

- Learners were provided links for OER Repository, NSOU Web TV, SWAYAM online courses and E-PG Pathsala
- The links of academic online resources were provided in the website.
- Learners were provided link for UG, PG, Vocational programmes and courses during the pandemic
- University SMS alert facility for the students regarding renewal, payment of fees, examination etc. were strengthened.
- Website was made accessible for differently-enabled persons with special emphasis on persons with visual impairment.
- UG and PG students could access academic content with their user ID and password through NSOU's LMS

- University interacts with students and Coordinators of LSCs through NSOU App at regular intervals
- Question paper repository is available to students on website
- NSOU Web TV was operational as per its monthly telecast schedule.
- Regular Online classes across the degree and vocational courses were introduced.
- The official twitter account of NSOU: @NetajiOpen gained momentum and served as one of the potential social handles of the university.
- The SLMs of all courses were uploaded on the University website to facilitate the learning at home during the pandemic.
- To understand learners with special needs seminars/programmes were organized on 'special needs' and 'disability issues'.
- Workshop on Academic Counselling for Distance Learners in Blended Learning Environment.
- Capacity Building Workshop for Academic Counselling of Open and Distance (ODL) Learners.
- Webinar on Automation of admission process for Study Centre (LSCs)

10.2 Best Practices of the HEI

NSOU encapsulates-

Promoting autonomy: All the Schools of studies have been given the autonomy to conduct the programmes within the framework of UGC and/ or NSOU guidelines. The Schools design and develop the course curricula and prepare PPR under the guidance of Board of Studies and recommend to the Academic Council for introduction through CIQA. Other Administrative Departments also carry out their activities for the betterment of NSOU with the approval of competent authority. The schools and administrative departments prepare their budget to carry out both academic and administrative activities. The LSCs have been given the liberty to engage the academic counsellors and coordinators following rules and regulations of the university. The Governing Body of the host college can engage them with an intimation to the NSOU authority. Another important development in the sphere of administration is the creation of three RCs of the University. The setting up of regional centres at three regions helps the RCs take decisions in monitoring the LSCs under their respective region.

Responsiveness towards learners and other stakeholders of the University: NSOU is house to a huge learner base and it is the first and foremost responsibility of the University is to develop understanding and awareness towards them. The institution has a dedicated online / offline helpdesk / toll free no. It is the motto of the NSOU “to reach the unreached” learners and to always respond promptly to their needs so that the learning process can continue freely and smoothly and the learners do not feel neglected or deprived at any stage of their relationship with the institution. It is a challenging task to reach out and respond to the queries and solve the problems of the learners in far flung regions of West Bengal, especially in the rural and remote areas. The learners get first-hand information about the NSOU at the LSCs nearest to their place of residence. All the LSCs/ RCs and the Headquarters in Kolkata have dedicated Helpdesks to respond to their queries. The learners/ potential learners/members of their family visit their nearest LSC/ RC and meet our staff at the Helpdesks during the working hours. The NSOU staff also respond to phone calls from the learners/potential learners regarding queries or any problems being faced by them. At the time of admission, the LSCs organize pre-admission counselling through a dedicated Helpdesk where the participants are acquainted with programs, duration, eligibility, job opportunity, etc. The NSOU has an exclusive web portal through which all the information relating to admission, programme details, etc., are made available. During the online admission, a dedicated help line is provided to facilitate the admission online. Detailed information on the admission process is made available through admission notification in the leading newspapers and on the NSOU website. The University website has all relevant information pertaining to its learners and serves as online helpdesk 24x7. The University Prospectus has also been designed keeping in mind the online/offline queries at the Helpdesk. e-prospectus is also available on the University website for the learners from anywhere and at any time. Learner Facilitation Centres (LFCs) are created at three RCs to cater to the academic needs of the learners enrolled in the nearby LSCs under respective RCs. The NSOU policies like those on IT, Examination, OER, Social Inclusion and Environment are available in the public domain. All the academic related information is made available through LMS which can be accessed only by registered learners. Information like constitution and activities of different cells of the university e.g., Learners’ Grievance Redressal Cell, RTI Cell, Anti-Ragging Committee and Internal Complaints Committee are available on the website.

Grievance Redressal Mechanism is in place: The NSOU has an effective grievance redressal mechanism in place as such a system is essential for all the HEIs which follow a learner-centric approach. The grievance Redressal Cell has been constituted as per provision of the UGC (ODL and OL) Regulations 2020 which is dedicated to handle the grievances of the learners. Learners may unfortunately face problems like non-receipt of enrolment no., non-receipt of SLMs, non-inclusion of assignment marks etc. NSOU has established a responsible Grievance Redressal Cell where the learners can vent their grievances in several ways either by filling up a Grievance Redressal form online or contacting the LSCs, RCs or Headquarters directly. All details are available on the website.

10.3 Details of Job Fairs conducted by the HEI

Only one job fair was organized during year.

10.4 Success Stories of students of ODL mode of the HEI

The successes are inscribed as-

- ✚ Qualified for the National/State-level exams like NET/SET/GATE
- ✚ Learners from skill-based/vocational courses are self-employed i.e., earning while learning.
- ✚ Creating room for start-up small scale engagements/businesses.
- ✚ Job promotion of respective pass-outs.
- ✚ qualified and secured teaching position in colleges under state-aided HEIs, while some are pursuing research in regular universities.
- ✚ Setting up Institution's Innovation Council
- ✚ Establishment of Innovation and Incubation Centre

10.5 Initiatives taken towards conversion of SLM into Regional Languages

It is a policy decision of NSOU to provide SLMs in the regional language of the State for all Bachelor Degree Programmes. In the Post Graduate programme, most of the SLMs are provided both in Bengali and English version. The learner may opt the medium of SLMs at the time of admission. Most of the SLMs in Bengali version have been digitized. Several A/V lectures are also presented in Bengali for better understanding of the courses. The lectures on web radio-Muktak are also introduced in the regional language. These initiatives are supplements to SLM discourses. The SLMs of the existing Bachelor Degree Programmes are mostly in regional languages. The university is all set to introduce CBCS in all its UG programmes. Drive has been already taken to develop the SLMs for CBCS programmes in Bengali version. The SLMs of the B.Ed in Spl Ed (ID/Hi/VI) programmes are under steady process of conversion into Bengali. The first two semester SLMs out of five are ready and have been circulated to the intended recipients.

10.7 Details of Alumni Cell and its activity

The University keeps a good record of alumni and maintains liaison of the pass out learners who are engaged in various government and other organization. Many of the alumni have been absorbed by the university at various levels through recruitment process as per the state-govt policies. NSOU is contemplating to form an Alumni Association to get the support from its alumni in order to capitalize the rich tangible and intangible experiences of its former students and to assist the present students in securing sustainable future. Such an association may also help the University in organizing the seminars / conferences/workshops, etc. and contribute by donating books, SLMs, learning materials to the University Library.

Though the University does not have a registered Alumni Association currently a networking portal of ALUMNI has been developed. A website link has been provided to build a strong network between the University, its present students, parents, and management. Alumni network by itself is one of the best professional networking platforms available today. The objective of the ALUMNI portal is to:

- Maintain and update the database of all the alumni and to interact with them
- Provide a common platform for the alumni
- Provide the information relating to one alumnus to other members for their academic development
- Invite contributions from the alumni for development activities of the institution

CIQA's drive to collect responses from the alumni as an appraisal of the courses/programmes offered by the university is a unique feature in the feedback analyses system.

10.8 Any other information
