## Report on "Viksit Bharat @2047: Voice of Youth" program

Be it noted that Netaji Subhas Open University ( NSOU) had made arrangements to view the live webcast of the above mentioned event. Several members of faculty, scholars, officers and staff viewed the program online at the university headquarters. Since it's an open university on distance mode of learning, learners were not available at the administrative headquarters. However, the regional centres of the university at Kalyani, Durgapur and Jalpaiguri also arranged for the live webcast, where several officers, faculty and learners participated as audience to this event. The link had been shared with learners and faculty members to facilitate them to join in online mode also on individual basis. Attached are some screenshot images from the event as in NSOU, for your kind information.

This programme gave a roadmap to our University for future operations to achieve India's ambitious dream for a Vikshit Bharat by 2047. It was indeed a great privilege for NSOU to be a part of this program.

Kind regards
