## **Report on observation of World Environment on 05.06.2021 at Regional Centre, Durgapur**

The World Environment Day was observed this year at Regional Centre, Durgapur like other previous years. At present we are passing through a dark phase of pandemic, but still our employees who stays nearby gathered to celebrate the day strictly following all the covid protocols with plantation of tree saplings. Our dedicated team made the event a grand success with the tree plantation programme . We hope, the university will be able to celebrate the World Environment Day in a more bigger way next year.
