This series aimed to spread awareness and enhance understanding of key aspects of the National Education Policy (NEP) 2020, particularly focusing on its implementation in higher education.

About NEP SAARTHI

The National Education Policy (NEP) 2020 is a significant reform aimed at transforming India's education system by focusing on quality, equity, and accessibility. Since students are at the heart of these changes, their involvement in implementing NEP 2020 is essential. To enhance student participation and increase awareness about higher education reforms, the University Grants Commission (UGC) launched the "NEP SAARTHI" initiative in 2023 across higher education institutions (HEIs).

As part of this initiative, Netaji Subhas Open University (NSOU) has nominated six students as NEP SAARTHIs of the university.
