Workshops for Development of Syllabus and Self Learning Materials for the Method of Teaching Bengali and Work Education

Department of Higher Education, Government of West Bengal has identified Netaji Subhas Open University (NSOU) as the State Nodal Agency to implement B.Ed. ODL program for the untrained teachers teaching at elementary level of the state aided schools. Accordingly, NSOU already started the program with the approval of NCTE. It is a time bound programme. So it is impossible to prepare the Self Learning Materials (SLMs) of its own in such a short period of time. In this reason NSOU is using the study materials of Karnataka State Open University. But in the KSOU syllabus there are no options of Method of Teaching Bengali and Method of Teaching Work Education so also no SLMs are available in these method papers. Hence the preparation of these SLMs is very much essential for meeting local needs. Consequently School of Education is organising a series of workshops to gradually develop and finalize SLMs at Conference Room of School of Education, 25/2, Ballygunge Circular Road, Kolkata-19.
