Ministry of Social Justice and Empowerment, Department of Empowerment of Persons with Disabilities, Govt. of India has taken the responsibility to create awareness and sensitivity amongst various stakeholders. It was felt that there is an urgent need for in service training of the various stakeholders to create awareness about the rights and entitlements of PwDs, provisions in various schemes, development programmes, and ways and means to access their specific entitlements and those that they are entitled to as equal citizens. Therefore, in order to realize the above objectives, the Govt. of India has made a provision for training and sensitization of key

functionaries of Central / State Govt. under the XII Five-year plan through DEPwD, Govt of India. This is envisaged to be achieved by organizing short term training programs through workshop at State/ District / Block level on regular basis amongst public representatives at all level.

Forty participants (School Teachers, Head masters/Head Mistress) have been trained and sensitized on the issues of disability, diversity, policies, education and rehabilitation. The program was of two-day duration, starting from 10am-5pm on each day. As per RCI mandate, resource persons from Disability field were engaged for the technical sessions. Hands-on training on specific areas of disability was well taken care of. The sessions were carried out meticulously through PPT slides, A-V clips and related Teaching-Learning resources to enhance interaction between participants and speaker. A role model was introduced for delivering his life experience among the participants. At the end of the program, the participants were provided with all e-resources and a handout on resource material on disability & rehabilitation issues. The intended outcome of such programs was fulfilled as teachers are the greatest disseminators of knowledge & information to the society.

The Two-day programme comprised of six hours of technical sessions divided into 3-4 technical slots each day. Each technical session had the scope of interaction by the participants and sharing of experiences in befitting context. These lauded the sessions to scale new heights of dispersion and wakefulness of the issues deliberated.

The idea of PwDs, Special Education and provisions for inclusion gained momentum through such motivated schedule of programs. The in-house faculties of Special Education field were actively involved in organizing and creating environment for successful completion of each day of the program. The Faculties from Education field supplemented to the overall management of the technical sessions with due effort on the context. Director, SoE was the mentor and outlined each program and its workings with diligence. The comments and reaction from the participants showed us the path of encouragement and adding enthusiasm to accomplish such programs in the future. The workshop concluded with distribution of certificates to all participants.
