## **Report on Online Workshop on Research Methodology for Social Work**

### **Research: Steps and Processes**

**Date:** 17/08/2022 (Wednesday)

**Time:** 8:00 PM to 9:00 PM

**Mode:** Online

**Platform:** Zoom App / NSOU Student App

**Participants:** 465 Learners

The Department of Social Work under the aegis of School of Professional Studies organized an Online Workshop on “**Research Methodology for Social Work Research: Steps and Processes**” for learners of MSW Part II on 17<sup>th</sup> August 2022 from 8:00 pm to 9:00 pm. The objective of the workshop was to train the MSW learners of the final year to carryout Social Work Research in a scientific manner. About 465 MSW 2<sup>nd</sup> year learners attended the programme in Zoom platform.

All the Faculty members of the Department of Social Work were present in the workshop, along with the speaker Dr Sukumar Pal, Assistant Professor in Social Work, Visva- Bharati, was invited to interact with the learners.

**Mr Kalyan Kumar Sanyal**, Associate. Prof. in Social Work inaugurated the session with extending his warm and regards for Dr Sukumar Pal. He requested the learners to pay their full attention and carefully note down the key points for research in social work.

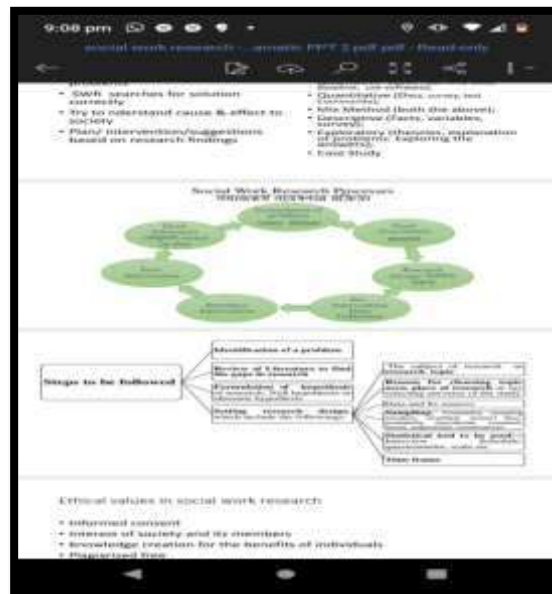

**Ms Kasturi Sinha Ghosh**, Asst. Prof. in Social Work, urged the learners to gear up and concentrate in completing their dissertation. Ms. K. Ghosh engaged them to seriously plan out their course of action and accordingly work to complete their dissertation.

**Mr Monojit Garai**, Asst. Prof. in Social Work shared his presentation with the learners about how to write a dissertation report. The learners were asked to follow the guidelines and contact their respective supervisors/guides for completing the dissertation report by following the time lime.

**Dr Sukumar Pal**, Asst. Prof of Social Work, Visva-Bharati and also an academic counsellor and empaneled dissertation guide of MSW since long, discussed the different steps, processes and approaches to carry out the Research. Dr. Pal discussed about several aspects of conducting a good Research especially in social work discipline through a Power Point Presentation. It also helped the leaners to develop aptitude for conducting research especially on social work issues and social issues

There were some queries from the learners which the faculty members and the expert answered one by one in a systematic manner.

Finally the session was ended with the hope that the learners have gained some knowledge on research methodology and its steps to be followed while conducting the dissertation from the workshop and would be able to complete their dissertation with lots of confidence.
