

One Day National Seminar

on

"Only One Earth: Our One

Environment"

7th June 2022

Organized by

School of Sciences

Netaji Subhas Open University

DD-26, Sector-I, Salt Lake, Kolkata-700 064,
West Bengal

Netaji Subhas Open University, the only State Open University in West Bengal, started its journey from 1997, the birth centenary year of the great freedom fighter Netaji Subhas Chandra Bose to reach the unreached group of every corner of the state via ODL mode. Recently NSOU has been accredited by NAAC with grade "A". The School of Sciences, NSOU, is spreading scientific knowledge and understanding to the willing souls via its several UG & PG departments for more than two decades.

World Environment Day (WED) is celebrated worldwide with participation from over 143 countries on the 5th of June every year. First WED was held in 1974 with the theme "Only One Earth" in Spokane, United State. This year also WED will be celebrated throughout the world in different educational and scientific institutions, Government and non-Government organizations to fulfil the objectives to raise awareness on different environmental issues, such as human overpopulation, global warming, marine pollution, sustainable consumption and wildlife crime etc. This may generate awareness among the common mass to understand the current environmental issues and their probable consequences and remedies and their onward application to the environment. For the first time this year, the School of Sciences, NSOU is going to organize a one-day National seminar entitled with **"Only one Earth: Our one Environment"** on 7th June 2022, in virtue of celebrating the World Environment Day, 2022. Educationists, research scholars, students are cordially invited to join this programme to share knowledge and to build a common awareness to save our mother earth.

Chief Patron

Prof. Subha Sankar Sarkar
