## BAYER FELLOWSHIP PROGRAM - MEDHA

Fellowship Support for students of **Economically Weaker Sections/Low Income Groups of the Society** pursuing Master's/PhD studies in **Life-sciences/Biotechnology/Pharma**

Bayer in association with Bhubaneswar City Knowledge Innovation Cluster foundation and support from O/o of the Principal Scientific Adviser to the Government of India is offering 'Medha fellowships' in the form of financial assistance to students in the Life-sciences / Biotechnology / Pharma disciplines to continue higher studies such as Master's and PhD programs.

The objective of the Medha program is to support students whose educational aspirations are hampered due to financial challenges.

The Medha program is exclusively for the candidates from the Economically Weaker Section of Society [60% seats for female, & 10% seats for Person with Disability (PwD)]. Candidates should not be availing any other fellowship.
