The School of Education, NSOU, hosted an online pre-admission counselling session for potential learners on August 19, 2021, from 1.00 pm to 3:00 pm. Dr. Atindranath Dey, Director of the School of Education, announced the session's goals at the beginning of the event. He emphasized that the B.Ed. Spl. Education programme is a good choice. The scope of B. Ed Spl. Education was addressed by Dr. Abhedananda Panigrahi, Coordinator, B. Ed, SoE, NSOU, after which Prof. Swapan Kumar Sarkar, SoE, NSOU encouraged prospective learners to apply for admission. Mr Hillol Ghosh, ITO NSOU, discussed on technical support.

Prof. Anirban Ghosh, Director, CIQA was present during the meeting. He emphasized the University's facilities and services for its learners, as well as its dedication to high-quality higher education, as evidenced by the NAAC's recent award of a "A" grade to NSOU.

After this, the floor to discussion was opened and the prospective learners were encouraged to ask questions to clear their doubts if any. Those present asked many relevant questions regarding the availability of SLMs and programmes in the Spl. LSCs of NSOU and clarified some points about the B. Ed Spl. Education Semester System, Affiliated Body etc. Each and every query was dealt with patience by the faculties to the satisfaction of the learners. The interactive session between the faculties and learners proved very fruitful and achieved its objectives successfully.

For the first time, this Pre-Admission Counseling session was conducted entirely online to guarantee the safety of prospective learners in the current pandemic scenario without denying them access to all required information about NSOU programmes prior to their acceptance. The Director, SoE, NSOU, concluded the presentation with a closing statement. The programme was conducted by Dr. Abhedananda Panigrahi, Coordinator, B. Ed, SoE, NSOU.
